

APPLICATIONS

The LiteSheet Lighting System Retrofit Kit provides a complete LED solution for customers looking to retrofit an existing Tunnel Lighting System, especially 4-foot LED tubes. The kit offers LiteSheet's patented BriteCor AC Direct LED technology, is easy to install, and is enclosed in an IP66 rated watertight housing. This retrofit kit is fully backed by LiteSheet's industry leading 15-year non-prorated warranty, is proudly Made in the USA, and BAA compliant.

MODELS THAT HAVE BEEN RETROFITTED

- ◆ OSRAM ProPoint™ Raceway LED Tunnel Lighting System*

*Other models can be retrofitted. Please contact sales@litesheet.com for more information.

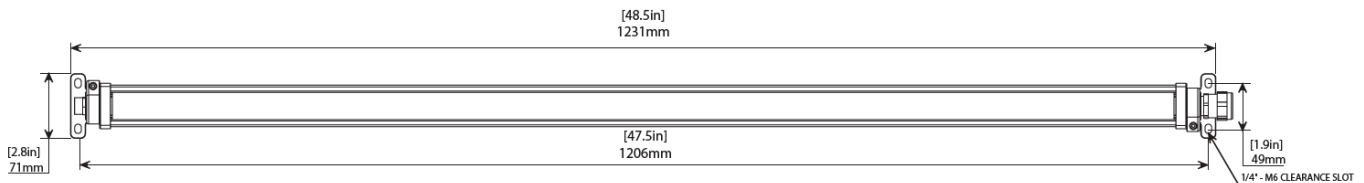

FEATURES & BENEFITS

- ◆ AC Direct technology - No DC power supply
- ◆ Input voltage 120V, 277V - 60Hz
- ◆ 15-year non-prorated warranty
- ◆ High output up to 4800 lumens
- ◆ Designed for harsh locations
- ◆ Optimized heat transfer for maximum longevity
- ◆ Easy field angle adjustment
- ◆ Available in multiple lengths and a variety of LED color temperatures
- ◆ IP66 rated enclosure
- ◆ L70 Projection: >200,000 hours

CASE STUDY- ELIZABETH RIVER CROSSING TUNNEL

- ◆ Project to replace defective OSRAM ProPoint™ LED tunnel fixtures
- ◆ Easy "plug and play" installation allowed minimum lane closures and limited traffic disruption
