

## APPLICATIONS

The BCRG3 is a high efficacy LED Channel Retrofit Kit that delivers the only AC Direct LED technology on the market with an efficacy up to 152 lumens per watt. This unique Retrofit Kit is a great application to save on installation cost, material cost, and waste all while getting the benefit of upgrading your fluorescent luminaire to a highly efficient LED system. Optional frosted diffuser lenses help minimize glare and improve aesthetics. Suitable for most commercial, industrial, and institutional applications such as office, retail, and warehouses.

## FEATURES & BENEFITS

- ◆ AC Direct technology - No DC power supply
- ◆ Input voltage 120V, 277V - 60Hz
- ◆ Available for 4' and 8' configurations
- ◆ Lightweight aluminum construction with frosted diffuser
- ◆ ETL Certification: UL 8750
- ◆ 15 year non-prorated warranty
- ◆ High Efficacy Up To 152 Lumens per Watt
- ◆ Optional 0-10V 3rd party compatible dimming
- ◆ Optional frosted diffuser available to help minimize glare and improve aesthetics
- ◆ Precision brake formed from heavy gauge cold rolled steel
- ◆ Highly durable and reflective white finish
